Re: *JKAYC, LLC v. Noah Bank*  
Case No.: 1:20-cv-00943-(PKS)(RLM)

Dear Judge Chen:

This office has acted as attorney for the plaintiff following the disqualification of prior counsel, The Basil Law Group, P.C. (“Basil Law”), to which I am of counsel. I submit this likely unnecessary letter to ensure compliance with your text order in this matter dated January 12, 2022. That order directed me either to submit a letter describing my relationship to Basil Law or else to move to withdraw from further participation in this action.

In the interim, plaintiff retained the firm of Platzer, Swergold, Goldberg, Katz & Jaslow, LLP to act as its attorney, and I signed a proposed consent order substituting that firm for mine as plaintiff’s counsel. That consent order was filed as Document 40 in this action on January 19, 2022.

As my office no longer represents the plaintiff, I assume that the Court no longer requires either a motion to withdraw or a letter regarding my relationship with Basil Law. On the other hand, if the Court does seek further input from me regarding this action, I am of course happy to comply.

If such further input is required, I would be grateful to be so notified. Thank you very much for your consideration.

Respectfully submitted,

s/ Neil Grossman
